

Blue Sky eLearn Client Resources

We're here for you every step of the way.

When you choose Blue Sky, you get more than just great software. In addition to our award-winning LMS, we offer our clients a host of additional services and support offerings to help you make the most of your solution. Whether through our active Client Community on LinkedIn, or via our myriad articles and other documentation, you and your team will have all you need. Following are just a few ways Blue Sky continues to support you throughout our relationship.

JUST A FEW OF OUR BLUE SKY CLIENT RESOURCES:

- » Detailed Onboarding, including your personalized Onboarding Blueprint
- » Documentation: Over 350 articles
- » Technical Account Managers (TAMs) - Admin Support
- » TAM Office Hours
- » Ongoing End User Support
- » Strategic Business Calls
- » Path LMS™ Data Insights for Enterprise clients
- » Product Insiders Group
- » Online Client Community (LinkedIn)
- » New Release Webinars
- » Learner Experience Data Research: For clients who opt in to collecting Learner Insights
- » Available add-on Learning Strategy & Development workshops and design services
